INTRODUCING THE 2022 RZR 200 EFI

PARENT-PLEASING SAFETY FEATURES

NEW! HELMET AWARE TECHNOLOGY

Parents can change settings through the display, or Ride Command App to limit speed, or not allow the vehicle to start when the connected helmet is not in the vehicle. Also included with Pin Code start feature.

LED HEAD LIGHTS AND TAIL LIGHTS

Provides riders with higher visibility and ability to see in low-light conditions (also equipped with high-visibility flag). Keeps them more aware of trail conditions and ensuring that others will see the vehicle coming.

SPEED LIMITING

Ensure kids are riding at the appropriate speed for their age, experience and terrain, by easily setting a max speed right from your Ride Command app or display.

GEOFENCING

Keep your kids in safe parameters by quickly setting and controlling ride boundaries. Set speed limits for within and outside of geofenced area.

HARD DOORS WITH SAFETY NETS

Sturdy full doors and wrap-around safety nets for adding security and protection for the vehicle and rider. Ensuring the riders stay in and everything else stays out.

CONFIDENCE-INSPIRING PERFORMANCE

DON'T FALL BEHIND

The all-new 180cc EFI engine promotes a confidence-inspiring performance with instant response and quick acceleration, giving kids the power they need to manage varying terrain without falling behind their parents.

TAKE ON THE TERRAIN

Dual Front A-Arms give the machine more capability to keep clear of obstacles and manage the terrain. Keeping the ride smooth and giving confidence that you won't get hung up on terrain.

ENJOY THE RIDE

Independent rear suspension and front & rear 7" suspension travel stabilizes your ride and lets you roll over the terrain with ease. Riders will have more capability to take on tough trails with a smoother ride.

Warning: Polaris off-road vehicles can be hazardous to operate and is not intended for on-road use. Driver must be at least 15 years old with a valid driver's license to operate. All riders should always wear helmets, eye protection and protective clothing and footwear. Read, understand and follow your owner's manual.
